**RE: Freedom of Information Act Request**

**South Chicago Heights, Village of**

**3100 State St.**

**Chicago Heights, IL 60411**

To Whom It May Concern:

Tetra Tech, Inc. (Tetra Tech) is conducting a Phase I Environmental Site Assessment (ESA) at a property near the above property. This investigation is being conducted in order to identify evidence of any recognized environmental conditions (REC) that may have an adverse environmental impact upon the subject property. Tetra Tech's client is requesting a due diligence investigation. According to ASTM Standards E 1527-13, property record reviews are required prior to completing this investigation.

Tetra Tech is requesting any records you may have concerning the property of interest. Records may include, but are not limited to:

- Records indicating former operations/owners
- Contamination issues in soil or groundwater
- Leaks or spills of hazardous materials
- Storage or use of hazardous materials
- Monitoring well installations and/or sampling results
- Underground or aboveground storage tanks (tank abandonment, removals and closures)
- Building Code Violations
- Site remediation/investigation activities
- Environmental violations
- Sewer or septic issues; issued permits
- No further action letters
- Consultations with the U.S. Environmental Protection Agency (USEPA)
- Sites that may be classified as State Hazardous Waste sites
- Fire Code Violations

Any assistance from your office would be greatly appreciated. If you have any questions or concerns regarding this request or if you need additional information to assist with your record search, please feel free to contact me via phone at (440) 897-9880 or email at [adam.peterca@tetrattech.com](mailto:adam.peterca@tetrattech.com). Thank you in advance for spending time on this matter.

Sincerely,

Adam Peterca  
Site Assessor

**After a diligent search, no records could be located  
regarding the Subject Property.**
